Saama Vedam has THREE Gruhya Sutras.

Rig Vedam has THREE Gruhya Sutras.

Atharva Vedam has ONE Gruhya Sutra.

Thus there are 14 Gruhya Sutras linked to the various Veda Samhithas. Let us comment on them briefly now.

The **Three Rig Vedam** linked Gruhya Sutrams (GS) are:

1. **AaSvakAyana** GS: It has 4 chapters and many KaaNDams under them. The third chapter deals with SrArddam; Garkar, JayarAmar, Hariharar, GadhAdharar & ViswanAthar are the FIVE Commentators for this GS.
2. **SaankhyAyana** GS : Suyajnar is the author of this GS and this has 6 chapters dealing with descriptions of samskArams and Construction of New Houses and noothana gruha PravEsam
3. **Kousheetakee** GS: Saambhvyar is the author. Although some consider this the same as SaankhyAyana GS, it has significant differences from it. The first 4 chapters however are similar in thrust like SaankhyAyanam.

The **Seven** GS (**Six KrishNa Yajur Vedam** and **One Sukla Yajur Veda** GS) starting with KrishNa Yajur Vedam are:

1. **Aapasthambha** GS: This is linked to Taitthareeya Samhithai.
2. **HiraNyakESi** GS: It is also known as **SathyAshADa Sutram**. Links are to Taittiriya Saakhai,

6. **KaaDaka (KaaThaka)** GS: This is linked to KaTha Saakhai of KrishNa Yajur Vedam.
7. **BhAskara** GS: This is a famous GS associated with **Sukla Yajur Vedam** .There are three KaaNDams and the First KaaNDam the Aadhanam of the AavasthyAgni, GarbhA DhAanm and AnnaprASanam . The second chapter covers a variety of KarmAs including ChUDAkaraNam, Upanayanam, SamAvartanam, Pancha Mahaa Yaj~nam and SrAvaNa Karmaa.

Saama Vedam has **Three** Gruhya SutrAs: gObilam, KhAdhiram and Jaimineeyam.

1. **Gobhila** GS: This is the most ancient and imortant. It takes its PramANams directly from Saama Vedam and its Mantra BrAhmaNams.
2. **KhAdhira** GS: It has overlaps with Gobhila GS but its links are to the RaaNayaneeya SaakhA of Saama Vedam.
3. **Jaimineeya** GS: It has 33 divisions (KaNDikais) and has examples quoted from Saama Vedam itself.
